

MOORESVILLE 200 APPLICATION FOR EVENT PROMOTION

Greater Mooresville businesses and organizations can apply to have their event included in promotional materials and resources being gathered for the 200th bicentennial celebration of Mooresville, Indiana, known as "Mooresville 200."

The idea is to have a yearlong celebration throughout 2024. We are currently compiling ALL events and celebrations from local businesses and organizations, both profit and not-for-profit to create a monthly calendar of "all things happening in Mooresville throughout 2024."

This is a community-wide, year-long celebration and we plan to provide lots of exposure and media coverage with special featured presentations and events each month.

If you would like to include your business or organization on our special EVENTS calendar, please complete this form with the detailed information so we can add it. This is at NO COST to you. We want to help promote, highlight, and showcase events happening in our community!

Thank you!
